

## Home Care For Redivac Drain

### Points to note:

- Monitor your drain volume and consistency of output.
- If there is a change and consistency of output e.g. blood stained fluid to bright red fluid, or clear yellow fluid to creamy yellow fluid, please inform your doctor.
- Seek medical attention immediately if you drain output is more than \_\_\_\_\_, or if you are feeling giddy, breathless, or breaking out in cold sweat.
- If your drain bottle loses suction almost immediately after you change it, please inform your doctor.
